The Pops Swing Back

Sunday, March 14th 4.00pm Power Center for the Performing Arts

Welcome from the Directors

Thank you for coming to The Pops Swing Back! We are thrilled to present this exciting program of swing music to you.

This is our fourth year of pops music-making. As you may already know, the Michigan Pops Orchestra is the only student run and student directed orchestra at the University of Michigan. The orchestra is comprised of approximately sixty students from the Colleges of Literature, Science and the Arts and Engineering, as well as the Schools of Nursing, Music and Business. The Pops was founded in 1995 with the hope of adding to the diversity within our musical community, as well as creating an environment that will attract a wider audience to the concert hall.

We are thankful to be part of a parent organization, the University Activities Center, which is comprised of many committees that provide concerts, lectures, publications and other services to the University community. UAC supports both the Michigan Pops Orchestra and Amazin' Blue, providing financial support, office space, and a wonderful secretary Mary. The orchestra is proud to be part of such a wonderful organization.

Many thanks to everyone! We hope the efforts of all involved will help the Michigan Pops Orchestra to continue to shine in the future.
