Not for Credit

Answer all questions, but don't waste too much energy on this. It is not for credit and we don't really expect you to know any of these things. We are just trying to find out what you do and do not know.

1. **How many people lived in the United States in 1996?**
a) 265 million; b) 521 million; c) 783 million d) 1.2 billion
