Things You Like Best

Top Sixteen	#
news discussion	38
material interesting	29
website	21
review questions	20
lectures	19
professor funny	18
relates to real life/world	18
content	17
lecture notes	14
professor	13
readings	12
no homework assignments	8
time of course	8
lectures clear	7
not too much theory	6
useful	6

| Other	#
all views are looked at	1
always know what to expect	1
applicable to politics/culture	1
approach to theory	1
bad jokes	1
concentration on concepts	1
concepts easy	2
course resources	5
cover broad number of topics	1
credits for econ major	1
current events oriented	1
different type of econ	1
easy to understand	5
econ has right answers	1
exam format	2
exam simple	1
examples in book	1
examples in lecture	1
exams reflect material from class	1
fun	1
gain view	1
gets big picture	1
good nap time	1
good timing	1
graphs	1
guest lecturer	3
impacts of trade/trade law	1
it's about international stuff	1
knowledge gained	2
learning about organizations, WTO, IMF	1

Things You Like Least

#	Top Sixteen
49	too much reading
18	1 1/2 hour class
8	readings, coursepack
7	grade based on just three exams
7	lecture boring
7	too late in the day
6	exam
6	exam curve
6	too much material covered
5	readings
5	textbook
5	too much reading not covered on exam
5	too slow
4	time
4	too much facts
4	too much memorizing

#	Other
3	annoying people who leave/talk
2	boring as balls
1	can be repetitive
1	can't access NYTimes.com
1	class size
1	comparative advantage calculation
1	concepts could be explained better
3	cost (coursepack + text)
3	coursepacks
1	don't like "I'm not sure"
2	exam coverage of vocabulary
1	exam focusing on specific points in time
3	exam format
1	exam grade
2	exam grading too specific
1	exam had awkward wording
1	exam on current events
1	exam on things not covered
3	exam on too many sources
1	exam preparation
1	exam sketchy
2	expectations ambiguous
1	hard to raise grade
1	lack of hot female students
1	lecture content
1	lecture not based on readings
1	lecture room
1	lecture room too comfortable
1	lectures dry
1	lectures put you to sleep some days

Item	Count	Count	Item
learning new concepts	1	1	lectures, last half hour
lecture format	1	1	location inconvenient
lectures brief and straightforward	1	1	material boring
lectures entertaining	1	1	material too long
lectures informative	3	1	memorizing terms and facts
lectures interesting	4	3	news discussion
lectures show up on exams	1	1	news online
lectures structured and organized	1	1	no answers to course readings
lectures, first hour	1	1	no detail on anything
Lorch	1	1	no discussion section
material fairly light	1	1	no homework
material practical	1	1	no models
material related to other econ classes	1	1	no review sessions
nice hours	1	1	not having a central textbook
no discussion section	5	1	office hours not accessible
no math	2	1	overhead smeared
no quizzes	1	3	readings beyond textbook
not mentally taxing	1	2	readings boring
not terribly time consuming	3	2	readings sometime redundant
not too hard	1	1	readings too long
on time	1	2	readings, some of them
online exams	3	1	some material
only three exams	1	1	some textbook info seems irrelevant
only two lectures instead of three	2	3	sometimes boring
pace of class	4	1	students who talk on cell phones in class
practical application	1	1	tangents
practice exams	1	1	time coincides with body's naptime
professor interested and has opinions	1	1	time schedule
professor nice and friendly	2	1	too big
professor writes notes on projector	1	1	too broad
professor's beard	1	2	too fast
professor's fluency	1	1	too few online questions on exam
professor's laid back style	2	1	too few practice exams
professor's office hours	1	1	too little benefit from lecture
professor's openly quirky lecture style	1	1	too little math
questionaire	1	1	too little news in exams
reading understandable	1	1	too little talk about current events
shift of views contrary to common sense	1	2	too little theory
small amount of math	2	1	too many definitions
structure	4	1	too many different persectives
stupid jokes	1	1	too many outside readings
teaching style	3	1	too many S&D models
textbook	3	2	too much facts on exams
textbook clear	1	3	too much reading never discussed
topics	2	2	too much theory
understanding of world economy	1	2	too vague
work load is fair	1	1	very pro free trade
		1	whitey (old boy) spin on info
