- [rhadiem](#) [Block User](#) All I have to say is this. Stay out of the passing (LEFT) lane if you're gonna do anything but simply drive. There are others who have places to go. Thanks.

- [LINGsCARS](#) [Block User](#) I am considering to pay for the UK distributor-ship for this great product. This is indeed a massive contribution to road safety. I am always completely awe-struck by the way American technology sweeps across the World, running down everything in it's path. Nice beige car interior too. Final proof that this is a real invention is that the inventor himself has a beard.
