Well,my favorite feature for the new iPhone must be nicer screen and the new case changes.
Lots of you people Reading this comment don't have the cash money to acquire the iPhone 4g, it's just going to be so pricey
Good news, I learned on Apples twitter earlier they are giving away a few thousand frée iPhone 4gs. Save ya some time, this will take you to Apples contest webpage copy + paste

You fucking meat-head, I hope you drive off the road into an icy lake somewhere. I'm American and I am ashamed at how poorly the overwhelming majority of American people drive. Stuffing your fat face with a burger, sending useless text messages to your homo friends, reading the fucking newspaper - all while driving slow in the left lane and being completely unobservant to your surroundings. Die you liberal hippy scum!
