

# MATH 732: CUBIC HYPERSURFACES

DAVID STAPLETON

## 1. DISCLAIMER

*These notes are based on Daniel Huybrechts' book "The geometry of cubic hypersurfaces" [Huy23]. Consult there for references to the literature that are not given in these notes. All errors in these notes are due to myself (David Stapleton). If you do find any errors, feel free to let me know via email. These notes are not ever intended for publication and they represent my lecture notes for the course.*
