

Musical Chairs

Date	Check - In	Time	Location	Point Level
Friday, March 23, 2012	10 minutes before event	11:00 am – 11:30 am	Sigma Chi	Bronze

Participation:

One male and one female (males vs. males, females vs. females)

Rules:

The last participant with a seat wins.

Thirteen chairs will be placed in a circle facing outward.

The participants will walk in a circle as the music plays.

As soon as the music stops, all participants must find a place to sit. The participant who cannot find a seat will be removed from the circle.

For each subsequent round, the music will resume after one chair has been removed.

Players may not push one another to get a seat. If a player cannot find a seat, he or she should exit the circle without complaining. Failure to do so will result in disqualification of the individual from musical chairs. No one else from their team may take their place.

All decisions made by the steering committee are final.

Teams absent at the start of the game will not be allowed to participate.
