When you
think cosmetic
surgery, think
U-M Cosmetic
Surgery Center

The Cosmetic Surgery Center, section of University of Michigan Plastic Surgery, combines trusted, American Board of Plastic Surgery-certified U-M cosmetic surgeons and experts in cosmetology to provide customized treatments for all your skin care and cosmetic surgery needs. We even offer treatment plans customized for men, featuring eye and brow lifts, and body contouring liposuction.

Whether you're looking to improve self-confidence, increase your physical attractiveness, or maintain a competitive edge in your career, we can help you look and feel your best.

Our licensed Medical Esthetician is accepting appointments at our convenient Domino's Farms clinic.

For a FREE skin analysis and consultation, or more information on our services and 20% discount for UMHS Employees, call
