

4:30 AM is WAY too early! We should have just stayed up all night!

I love that we get to fly to three cities in order to end up in one.

4 Yeah, isn't the airline spending more money on gas than they would be making if they sent us directly to Boston?

5 Dude, this plane is smaller than my Honda.

6 Just a reminder, this is a non-smoking flight.

7 Man, are we there yet?

8 I haven't seen grandpa in so long.

9 I can't wait to arrive Manhattan and hear his war stories.

10 Sick nasty.

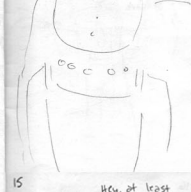

11 Dude, Manhattans are gross.

12 Where are you two lovely ladies going?

13 Oh, we are going on an old-persons cruise.

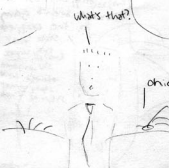

14 An old persons cruise?

Yeah. It's Holland America. We visit Canada. Young people don't go there.

15 Hey, at least we aren't going to the crappiest state in the union.

16 What's that?

Ohio.
