

Coaching Lesson Plan

A reflection tool for use before the literacy/math goal sheet

Student/Provider Name	Date	Literacy/math coaching goal -What literacy/math teaching strategy and/or environmental change is the focus of your coaching goal?	Goal in relationship to children -How will this goal benefit the literacy/math skills of the children?	Supplies/tools needed How will the student obtain the materials needed?	Comments

Coaching Reflection

1. Was the student able to accomplish the literacy/math goal in a timely manner? If not, why?

2. Did the goal appear to support literacy/math child-learning? How/how did it not?

3. If the goal was accomplished, how could it be extended to provide more literacy/math child-learning?

4. Will you have the student extend the literacy/math goal? Why? /Why not?
