Problem Set # 0

Due: Wednesday, 04 January 2017

1. Please tell us a little about yourself in two paragraphs: Where are you from, and what are your major extracurricular interests? What's your major, and why have you chosen it? What are your plans after graduation?

2. To start thinking geologically, please watch <https://www.youtube.com/watch?v=w4kkKx-Wcoo> and answer two questions (one paragraph each):

1. What did you find most surprising or interesting?

2. What were the most interesting questions that the video left you with?
