March 2014

Education

August 1987: Ph.D. in Statistics, Harvard University, Cambridge, Massachusetts.
Dissertation title: Large Sample Significance Levels from Multiply Imputed Data Sets.

August 1983: M.S. in Statistics, Miami University, Oxford, Ohio.

August 1979: M.Sc. in Statistics, Nagpur University, Nagpur, India.

August 1977: B. Sc. in (Physics, Mathematics and Statistics), Nagpur University, Nagpur, India.

Experience

January 2010-Present: Chair, Department of Biostatistics, School of Public Health, University of Michigan

August 2008-2012: Director, Biostatistics and Measurement Core, Michigan Institute for Clinical and Health Research and CTSA-Michigan

August 2002-Present: Professor, Department of Biostatistics and Research Professor, Institute for Social Research, University of Michigan

August 2004-Present: Director of Biostatistics Collaborative and Methodology Research Core, Department of Biostatistics, School of Public Health

September 1998-Present: Associate Director of Center for Research on Ethnicity Culture and Health, School of Public Health

September 1997-June 2001: Director, Survey Methodology Program, Institute for Social Research, University of Michigan

September 1997-August 2002: Senior Associate Research Scientist, Institute for Social Research and Associate Professor, Department of Biostatistics, University of Michigan

July 1994-August 1997: Associate Research Scientist, Institute for Social Research, and (95-97) Associate Professor, Department of Biostatistics, University of Michigan.

July 1995-Present: Faculty (currently, Research Professor), Joint Program in Survey Methodology, University of Maryland.

August 1987-June 1994: Assistant Professor, Department of Biostatistics, University of Washington.

December 1986-July 1987: Instructor, Department of Statistics, Harvard University.

August 1983-November 1986: Teaching and Research Assistant, Department of Statistics, Harvard University.

August 1982-July 1983: Teaching Assistant, Department of Mathematics and Statistics, Miami University, Ohio.

August 1979-July 1982: Lecturer in Statistics, Institute of Science, Nagpur University, Nagpur, India.

Professional Activities

Elected as a Representative of ASA Social Statistics Section to the ASA Council of Sections 2003-2005

Member of American Statistical Association

President-elect, President and Past-president 1996-1998, Ann Arbor Chapter of American Statistical Association

Refereed articles for Biometrics, Biometrika, Journal of American Statistical Association, Journal of Official Statistics, Survey Methodology, Technometrics, Statistics in Medicine, American Journal of Epidemiology

Statistical Reviewer for various other medical journals

Presented an invited paper on small area estimation of crime rates by combining data from the National Crime Victimization Survey and Uniform Crime Reports

Member of ad hoc NIH panel on “Measures of Health Disparity”

Member of ad hoc ASA panel on Imputation issues in Uniform Crime Reports

Awards and Achievements

Richard D. Remington Lecturer, American Heart Association Annual Meeting, 2012

First author paper (JASA, 2007) received best paper award from the Center for Disease Control and Disease Prevention, 2008.

The small area estimation project received prestigious SPAIG (Statistical Partnership of Academia, Industry and Government) award from the American Statistical Association, 2007

Elected as a Fellow of the American Statistical Association, 2003.

1994 Outstanding Teaching Award, School of Public Health and Community Medicine, University of Washington, Seattle, Washington.

Visiting Fellow, Department of Statistics, University of New South Wales, Kensington, Australia, July-August 1991.

Frank Wilcoxon prize for the best applications paper in technometrics, 1988.

Parker Merit Fellowship, Harvard University, 1986.

Comer Memorial Fund Award, Miami University, 1983.

Three gold medals and two cash prizes, Nagpur University, Nagpur, India, 1979.
Government of India Merit Fellowship, 1977.

Rank Holder, Bachelor of Science Program, Nagpur University, Nagpur, India, 1977.
