

MBSTP Poster Session Guidelines

We invite any members of the microfluidics community, both students and faculty, to present their research at the 2014 MBSTP Symposium Poster Session. The poster session will take place immediately before dinner and the keynote lecture.

Poster Set-up	3:00 p.m.
Poster Session	4:00-6:00 pm (Hussey Room of the Michigan League)
Poster Awards	Immediately following keynote

Poster Submission Details:

Size: Standard 3' x 4' posters (boards and easels will be provided)

Abstract: no more than 300 words and one figure, please format according to template available on MBSTP Symposium web site:

<http://www.umich.edu/~ufluids/symposium.html>

Deadline: May 3, 2014 (Deadline extended!)

Please submit directly to Pat Metzler (metzlerp@umich.edu)

Three poster prizes will be awarded!

Key Judging Criteria:

- Research presented is timely and relevant with reproducible results. (quality of research)
- Poster presents research hypothesis, data, and conclusion in a logical, clear and concise way. (quality of written explanation)
- Poster presentation is well-organized with meaningful, visually-appealing illustrations. (quality of visual aspects)
- Presenter shows understanding of data, presenting it in a professional manner. (quality of oral discussions)
