**McLaren, Z.** Why A Staggered Vaccine Rollout Is Better Than First Come, First Served. *FiveThirtyEight*. 2021.

**McLaren, Z.** Over-the-counter rapid antigen tests can help slow the spread of COVID-19 – here's how to use them effectively. *The Conversation*. 2021.

**McLaren, Z.** FDA authorized first over-the-counter COVID-19 test – useful but not a game changer. *The Conversation*. 2020.

**McLaren, Z.** No, soaring COVID-19 cases are not due to more testing – they show a surging pandemic. *The Conversation*. 2020.

**McLaren, Z.** Will the new 15-minute COVID-19 test solve US testing problems? *The Conversation*. 2020.

**McLaren, Z.** Rapid screening tests that prioritize speed over accuracy could be key to ending the coronavirus pandemic. *The Conversation*. Reprinted in Slate and Fast Company. 2020.

**McLaren, Z.** Las pruebas de detección rápida del COVID-19 pueden ayudar a frenar la pandemia. *The Conversation*. 2020.

**McLaren, Z.** Making coronavirus testing easy, accurate and fast is critical to ending the pandemic – the US response is falling far short. *The Conversation*. 2020.

**McLaren, Z.** What is a clinical trial? A health policy expert explains. *The Conversation*. 2020.

## **INVITED SEMINARS**

- 2022 George Washington University
- 2020 Johns Hopkins University
- 2019 Center for Global Development; United States Internal Revenue Service
- 2018 University of Connecticut; University of Massachusetts – Amherst; Wayne State University; McMaster University; Institute for Women’s Policy Research; University of Maryland Baltimore County
- 2017 George Washington University; University of Southern California
- 2016 Erasmus University Rotterdam; University of Michigan Medical School
- 2015 Center for Global Development
- 2014 Center for Statistics and the Social Sciences, University of Washington; Stellenbosch University
- 2013 Stellenbosch University; Public Health Foundation of India; Robert Wood Johnson Scholars
- 2012 University of Chicago; University of Cape Town

## **CONFERENCE PRESENTATIONS**

- 2023 Population Association of America; American Society of Health Economists
- 2021 National Academy of Public Administration Social Equity Leadership Conference
- 2020 Society of Labor Economists ; IZA/World Bank Conference
- 2019 IZA/CREST Conference on Labor Market Policy Evaluation; Association for Public Policy and Management International Conference
- 2017 Gates Foundation Institute for Disease Modeling; Population Association of America
- 2016 European Workshop on Econometrics and Health Economics; AIDS; International AIDS Economics Network; Annual World Bank Conference on Development Economics; Midwestern International Economics Conference; Center for the Study of African Economies; Union World Conference on Lung Health
- 2015 Union for African Population Studies; Union World Conference on Lung Health; Microeconomic Analysis of South Africa; International Health Economics Association; Population, Reproductive Health and Economic Development Conference (PopPov); Population Association of America
- 2014 North East Universities Development Consortium; Microeconomic Analysis of South Africa Conference
- 2013 North East Universities Development Consortium; Population Association of America; American Society of Health Economists; International Health Economics Association; Population Poverty Research Network; Microeconomic Analysis of South Africa Conference
- 2012 Unite for Sight Global Health Conference, Yale University; Population Association of America; American Society of Health Economists; Population Poverty Research Network; Microeconomic Analysis of South Africa Conference

## **FELLOWSHIPS AND AWARDS**

- Summer Faculty Research Fellowship, UMBC, 2020, \$6,000.
- Summer Research Faculty Fellowship (SURFF), UMBC, 2019, \$6,000.
- Hewlett Foundation/Population Reference Bureau, 2012, \$76,087.
- Faculty Pilot Research Award, University of Michigan, 2012, \$20,000.
- Center for Global Health, 2012, \$74,000.
- Rackham School of Graduate Studies Spring/Summer Research Grant, 2012, \$10,000.
- Institute for Women and Gender Faculty Seed Grant, University of Michigan, 2012, \$3,640.

McNerney Award, University of Michigan, 2011, \$25,000.  
National Poverty Center, University of Michigan, 2011, \$8,600.  
Hewlett/IIIE Dissertation Fellowship in Population, Reproductive Health and Economic Development, 2009-2011.  
Doctoral Research Award, Nonprofit and Public Management Center, 2009.

## **TEACHING EXPERIENCE**

Microeconomics for Public Policy, University of Maryland Baltimore County, 2021 - Present.  
Metrics and Methods for Measuring Health Disparities, University of Maryland Baltimore County, 2019 - Present.  
Statistical Applications in Evaluation Research, University of Maryland Baltimore County, 2018 - Present.  
Research Methodology, University of Maryland Baltimore County, 2019 - 2023.  
Statistical Analysis, University of Maryland Baltimore County, 2019 - 2021.  
Economics of Health Management and Policy II, University of Michigan, 2011 - 2018.  
Economics of Health Management and Policy (Executive Masters), University of Michigan, 2011 - 2018.  
Health Policy Challenges in Developing Countries, University of Michigan, 2011 - 2018.  
Applied Policy Analysis Using STATA, University of Michigan, 2015 - 2016.
